## Solved Punctuation of CE-2021 English Precis

That familiarity produces neglect, has been long observed. The effect of all external objects, however, great or splendid, ceases with their novelty: the courtier stands without emotion in the royal presence; the rustic tramples under his foot the beauties of the spring with little attention to their colours or their fragrance; and the inhabitant of the coast, darts his eye upon the immense diffusion of waters, without awe, wonder, or terror.
