

Today, I am going to share two very simple but yet effective methods for strengthening your English vocabulary which I'm also following these days and which have brought a very huge change into my English vocabulary. Therefore, you should also utilize up-to-date and convenient ways to enhance your English vocabulary in a matter of a few weeks.

First of all, I would suggest you cultivate the habit of looking up for the meaning of difficult words from the dictionary the moment you encounter with a difficult and unseen word. This strategy will help you to overcome your vocab deficiency. You need to understand that it is unusually strenuous to write all the correct answers from the vocab portion in any examination because we can recall what we have used or seen recently. Therefore, the more you practice in this area, the more you will be sufficient into it.

Two Simple, Effective and Modern Ways of making Strong Your English Vocabulary

Now let's discuss the two effective steps which can enhance our English Vocabulary imperturbably.

1. Install [Wordweb Dictionary](#) Into your computer after that whenever you see any difficult/new word anywhere in the web pages or in your Documents, here I mean anywhere. Just hold on the "**Ctrl**" in your keyboard and at the same moment *press* the **Right click** in your Mouse, the rest work will be done by the [Wordweb Dictionary](#) itself. i.e Wordweb Dictionary pops-up and will give you the searched word's meaning in a few seconds
2. Go to the **Firefox Add-ons** and **Google Chrome Store** and Search for "[Grammarly](#)". After installing it into your browser then restart your Firefox, after that Double-click on any word in your Firefox browser in order to view its meaning, it will pop-up the complete definition of the word with some examples. This add-on will help you finding meanings of English words on any web page immediately.

Furthermore, Grammarly will help you communicate more effectively. As you type, Grammarly flags mistakes and helps you make sure your messages, documents, and social media posts are clear, mistake-free, and impactful.

In order to read different articles easily just follow all the English news channels on Facebook and Twitter etc....

You will see the change in a month or so. Just follow the aforementioned two steps to see the magic.

Thank You

Regards
